RESPONSIBLE TOURISM

In 2019, our region became the **first European Capital of Smart Tourism**. The Lyon Convention Centre and Eurexpo got their ISO 20121 certification.

A LOCAL ECONOMY BASED ON SUSTAINABILITY

In 2010, Lyon developed the Ville Équitable et Durable label.

The only one of its kind in France, the label is designed to promote **a local, environmentally friendly, social and inclusive economy**.

LYON'S SUSTAINABILITY RECORD

IN 2021

Lyon ranked **1st French city** and **7th worldwide in the GDS index 2021** with a score of 80% (Global Destination Sustainability Index) and received **the Most improved Award 2021**.

gds.earth/2021-results/

The city is working towards obtaining ISO 20121 International Responsible Destination certification.

IN 2020

Ranked **1st in the biodiversity category** by the Observatoire des villes vertes.

observatoirevillesvertes.fr/

IN 2018

Winner of the **Access City Award** which recognises cities which are working to make life more accessible, particularly for people with disabilities.

SINCE 2017

A **carbon-neutral** airport.

WE LOOK FORWARD TO WELCOMING YOU BACK TO LYON IN 2022!
